# TRIMMING PRICES, NOT QUALITY.

All Husqvarna grass trimmers and brushcutters are easy and flexible to handle thanks to their low weight and smart features. And you don't have to worry about disturbing your neighbours either. Husqvarna grass trimmers are designed to generate as little noise as possible – ideal if you live in residential areas. Our brushcutters offer either line or blade cutting and can handle thick grass and scrub. Powerful, easy to use and now even better value!

**RED HOT PRICE**  
**\$189**

# TALL GRASS

# LESS WORK

With a high efficiency cutting decks and turn-on-a-dime manoeuvrability, a Husqvarna Zero Turn mower makes short work of tall grass. Rugged chassis and ergonomic controls put mow-anywhere performance at your fingertips.

**\$5,799**

➤ Easy access controls for convenience

**NEW!**

## H Z242E

Husqvarna Endurance Series™  
V-Twin engine 20.0hp\* - 42" ClearCut™  
Fabricated Cutting Deck.

➤ Automatic park brake system for safety

➤ V-Twin engine for power and less vibration

➤ ClearCut™ fabricated steel deck for durability and faster cutting

## + FEATURE FOCUS

### ➤ NO UNCUT CIRCLES

The zero turn steering system offers individual, hydraulic wheel-drive, which provides precise manoeuvring and allows the mower to rotate on its own axis, leaving no uncut circles.

### ➤ AUTOMATIC PARK BRAKE

The park brake system automatically activates or deactivates as the steering levers are moved outward or inward, freeing the user of the task.

### ➤ BUILT TO LAST

The heavy-duty welded steel uni-body frame and rugged front castor wheels provide increased strength, durability and reduced chassis flexing. Cutting decks with reinforced details and corrosion resistance add to the lasting durability.

# GO ANYWHERE

# REACH EVERYWHERE

With the front-mounted cutting deck and articulated steering Husqvarna Riders offer superior manoeuvrability and great accessibility. Cutting around trees and under bushes and benches is easy. The Rider is comfortable, stable and handles slopes with great grip, everything you need to get the job done.

**\$5,599**

## H R120C

Husqvarna Endurance Series™ engine  
10.2kW@2900rpm - 95cm Cutting Deck,  
Compact design.

➤ Articulated steering for greater manoeuvrability

➤ Easy foot pedal controls

➤ Comes complete with 95cm BioClip® cutting deck

➤ Front mounted cutting deck for more visibility and a better cut

## + FEATURE FOCUS

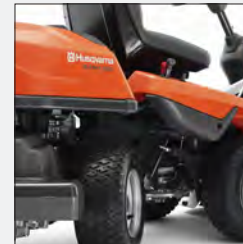

### ➤ SUPERIOR MANOEUVRABILITY

The unique articulated steering system allows the rear wheels to swing in underneath the machine. The result is superior manoeuvrability and intuitive operation, for easy handling around obstacles like trees and bushes.

### ➤ MOWING ACCESSIBILITY

The front-mounted cutting deck gives an excellent overview of the working area, allowing you to trim edges and reach into corners and under bushes with ease.

### ➤ OPTIMAL RIDING COMFORT

Featuring large wheels both front and back, Husqvarna Riders deliver optimal riding comfort, great accessibility and reduced risk of damaging delicate surfaces.

# PETROL PERFORMANCE

# BATTERY CONVENIENCE

The Husqvarna Battery Series is a range of highly efficient machines driven by a powerful 36V Li-ion battery pack. The battery combined with specially developed motors gives you a performance similar to our petrol machines. You can quickly exchange the battery from one handheld machine to another, and keep working

## CHARLIE'S CHOICE!

Australia's most loved garden guru, Charlie Albone, from the Lifestyle Channel's "Selling Houses Australia", is an avid user of Husqvarna products.

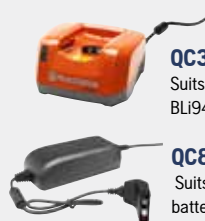

Charlie says: "It's important that every garden I work on is finished to the highest possible standard. I use Husqvarna products, as they are far superior to anything else on the market".

# HUSQVARNA SERVICING DEALER ADVANTAGE.

Only qualified Servicing Dealers with unrivalled expertise sell and service our products. All products are sold assembled, pre-delivered and ready to use with a full warranty. Your local authorised Husqvarna Servicing Dealer will help you get the most out of your Husqvarna. Protect your investment and only ask for Husqvarna Genuine Parts and Accessories.

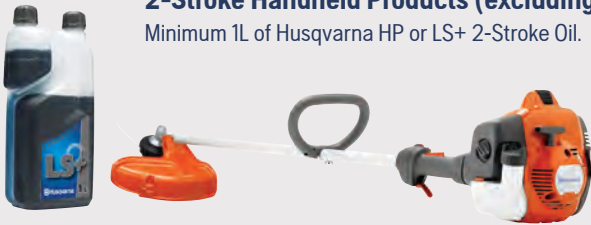

## EXTEND YOUR WARRANTY WITH GENUINE HUSQVARNA OIL!

Husqvarna aims to provide you with total satisfaction with product performance, reliability and safety. With this in mind, Husqvarna offers a 5 year Domestic Warranty\* period when you buy genuine Husqvarna oil with your new Husqvarna products.

### 2-Stroke Handheld Products (excluding chainsaws):

Minimum 1L of Husqvarna HP or LS+ 2-Stroke Oil.

### 4-Stroke Handheld Products:

Minimum of 1L of Husqvarna SAE 10W/30 Oil.

### 2-Stroke Chainsaws:

Minimum 1L of Husqvarna HP, LS+ or XP 2-Stroke Oil, **PLUS** a minimum 5L of Husqvarna Bar and Chain Oil.

### 4-Stroke Wheeled and other product:

Minimum 4L of Husqvarna SAE 10W/30 Oil.

\*For full terms and conditions, visit [husqvarna.com](http://husqvarna.com) or ask in-store. Where multiple products are purchased, a qualifying purchase of oil must be made for each individual product, for each product to qualify for the additional warranty period. The consumer must obtain a copy of the product registration verifying their purchase, and the extended warranty from the participating Husqvarna Dealer at the time of purchase. Excludes robotic and battery products.
