- Briggs & Stratton Intek
- 9.6kW @ 2900 rpm
- Cutting width 94cm
- Uncut circle 30cm

**\$6,599**

**+ WHY BUY A HUSQVARNA RIDER**

**SUPERIOR MANOEUVRABILITY**

Husqvarna's articulated steering system allows the rear wheels to swing underneath the machine resulting in superior manoeuvrability with a minimum turning radius at full lock.

**MOWING ACCESSIBILITY**

The front-mounted cutting deck has a low profile that allows you to cut close to edges, reach into corners and mow under bushes with ease.

**COMFORTABLE DRIVE**

With a Rider you get safety, stability and traction. The Rider's low centre of gravity contributes to the exceptional traction as well as a comfortable 'sit-in' feeling for the operator.

**ALL WHEEL DRIVE**

Automatically adjust the traction on all wheels depending on the situation and the ground condition. Available on selected models only.

**30**
